

*Simply to
the Point*

With LG, it's all possible.™

LG FLUID™ II

Power on with a device that takes the complication out of communication, and experience true simplicity at your side. The LG Fluid II is equipped with convenient features to help you navigate through phone menus or messages effortlessly. Now you can hear everything clearly and respond confidently. Carry this compact assistant wherever you go and let the LG Fluid II keep all that matters close at hand.

Menu Readout Features

Navigate through phone menus easily as selected items are read aloud at customizable speech rates.

Hearing Assist Mode

Hear every conversation clearly with a device that provides improved sound quality and adapts to noisy environments.

Conveniently Compact Design

Take this comfortably pocket-sized flip phone anywhere and preview calls before answering on the useful outer display.

Favorite Contacts

Reach out to your clients and business associates quickly by adding up to ten contacts as favorites.
